Judge: Honorable James Ware

WHEREAS, on October 2, 2008, this Court issued a Scheduling Order setting a pre-trial schedule, a true and correct copy of which is attached hereto as Exhibit A;

WHEREAS, Plaintiff in this action claims, *inter alia*, deliberate indifference to serious medical needs against Defendant;

WHEREAS, upon appointment to this case in August 2008, counsel for Plaintiff was not in possession of the Plaintiff's medical records, which were necessary in order to permit counsel to fully evaluate Plaintiff's claims in this case;

WHEREAS, Defendants are still producing medical records to Plaintiff in the course of discovery, and not all records have been produced;

WHEREAS, after review of such records as have been thus far obtained by counsel, it

1 became necessary for Plaintiff to obtain expert consultation and testimony to evaluate Plaintiff's  
2 medical issues and, if appropriate, testify in this matter;

3 WHEREAS, despite all diligence in seeking such an expert, Plaintiff was unable to find  
4 and retain a suitable expert until late December, and said expert needs additional time to review  
5 and evaluate Plaintiff's myriad medical issues;

6 WHEREAS, additional discovery may be needed in order for Plaintiff's expert to have  
7 adequate information to perform his evaluation and to testify fully and completely at deposition  
8 and trial, and to allow counsel for Defendants to prepare adequately for said testimony, or to  
9 object to or rebut same;

10 NOW, THEREFORE, THE PARTIES AGREE AND STIPULATE as follows:
